“ I am so sorry about Jenna’s passing. She was always so special and had her own way of doing things. I will never forget her and how she tried to help her classmates, long after they graduated. God bless your family. Linda, Donny, Dillan and Dalton Rayburn

“ I cant believe your gone. I know i havent spoken to you since high school. But this is unreal. But I remember all through school, you were one person that no matter was going on, could just walk in a room and brighten it up especially with your smile. You always smiled and it will always be beautiful. You had a one of kind personality, always down to do what ever was needed for everyone. And you taught me how to live life with no regrets. R.I.P Jenna you will be deeply missed. condolences to Miss Jenna's family.

“ I remember Jenna playing with our daughter Jacy when we came to visit my parents "down in the valley" next door to Jenna's grandparents. My daughter was so happy to have a friend who was kind for part of her visit; and she talked about Jenna for several days afterward. She was always hoping she would happen to be at her grandparents again when we came to visit. Jenna brightened up a kind of lonely week for my daughter. For the simple things in life like that-- we are very thankful-- they are eternal gifts.

“ What a vibrant, smart beautiful soul. May God wrap his arms around all of her friends and family and bring them peace. I'm so blessed to have met this sweet girl and my heart breaks that she left our world so soon. I regret not knowing her family, but pray for them daily. May God bless you and keep you.

“ Jenna was one of the sweetest souls I’ve ever met and she always had a big smile on her face. I have many memories of camping with her, Brennan, Kevin and Ann at Montgomery Bell and Grayton Beach. The love they share as a family is truly beautiful. Jenna had a huge heart and was very loving and giving, just like her mom and dad. She will be missed by so many and I feel fortunate to have called her my friend.
